Create a synthesis between two of the essays discussed in class. You may use the Point-By-Point, Source-By-Source, or Blended forms to organize your paper.

Regardless of your organization, make sure to focus on the following questions about the two essays:

+How do two (or more) authors view the same debate or issue?

+On which points do they agree?

+On which points do they disagree?

+If they were having an oral conversation, how would Author X respond to the arguments of Author Y and vice versa?

You should include the 2 original sources for your paper (providing paraphrases and/or quotations as needed from each). Please use a blend of these secondary source reporting strategies. .
